Enterprise Partner (Custom pricing):

For national Islamic organizations, trusts, waqf, chains of Islamic centers, and international relief organizations managing 10, 50, or 500+ masjids from one centralized dashboard, with centralized administration, fundraising management, analytics, and consolidated reporting.

Checkmark = included · dash = not included · Prices are annual, shown in USD. · Donations always go directly to each masjid's official verified channel, never through the platform. · Suggested features, subject to change.
